PENDLETON HAS LOWEST
TAX LEVY IN OREGON

Some Opposition Manifested
to Auditorium Move But
Vote Proves Overwhelming.

Action taken by Pendleton Commercial Association in its membership meeting last night:

Endorsed as absolute necessities bond issues for septic tank and ground in west end of the city and for another park site.

Went on record in favor of voting bonds for memorial community auditorium.

By inference endorsed increase in city tax levy from 11 mills to 15 mills, which will be voted on with the other measures at the special election this fall. This increase will apply only for the one year.

That the municipality of Pendleton will forthwith start a campaign looking toward the voting of bonds of approximately \$400,000 was presented last night in the action taken by the members of the Pendleton Commercial Association when endorsement of the organization to three projects was voted. The action followed an explanation of the situation as it now exists which was made by Mayor G. A. Hartman. A free for all discussion followed the mayor's speech.

Included by inference in the program to which the business men of the city voted support is the increase for this year of the mill tax levy from 11 mills to 15 mills. This question was barely touched on by different speakers, and no vote was taken on it. The temper of the meeting showing that it was accepted as a necessity on which there could be no question of the stand to be taken by the association.

Tax Rate Low.
A tax table showing the rates in the various cities of the state was referred to by the mayor in his talk, and he called attention to the fact that at present Pendleton has the lowest millage rate of taxation of any city in the state. Pointing out that as the city grows it is necessary to have more money with which to meet the added expense, the mayor touched on the necessity of voting the millage increase.

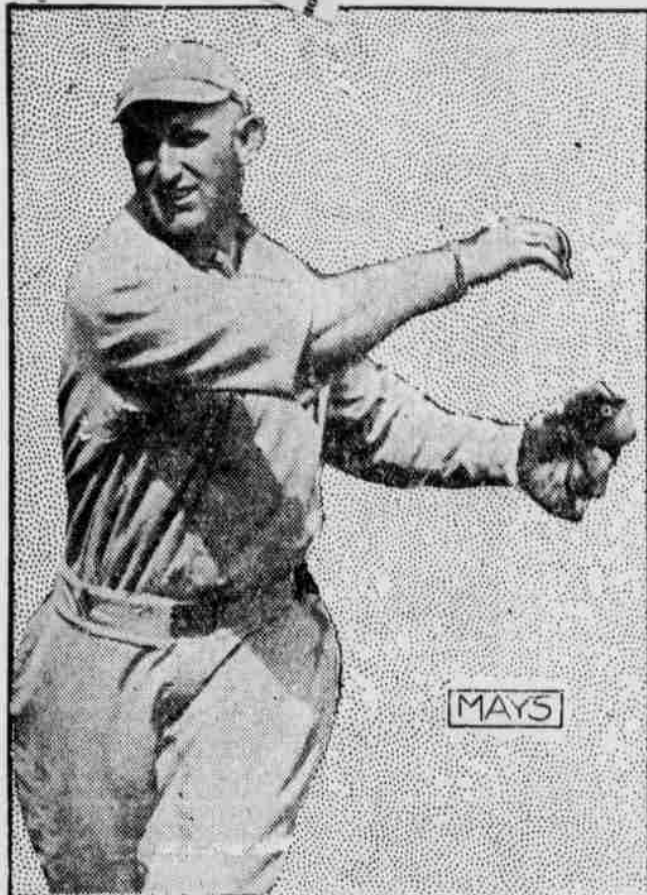

"During many years administrations of Pendleton have been embarrassed by a lack of funds with which to do the actual constructive things which were necessary and which they desired to do," Mr. Hartman declared. "It has been the habit to pass these problems on and on, from one administration to another, and this present administration realizes that the easy thing would be for us to do the same thing. But there must be a show down some time, and it seems to me that there will never be a better time than now to acquire more property which Pendleton must have before much longer."

Two Absolute Necessities.
The speaker declared that he took it for granted that everyone would grant that there are two necessities which the city must have. One is a septic tank to take care of the city sewage, and the other is sufficient land to provide for adequate camping grounds. These are investments in land, he pointed out, and in the case of the septic tank, Pendleton will be merely obeying the laws of the state, which have been openly violated for many years.

In commenting on the need for a septic tank which would refine the sewage of the city before it is emptied into the river, the mayor called attention to a statement made by Dr. W. D. McNary recently in which the head of the state institution declared that he could bring an injunction against the municipality and have its sewers closed within 24 hours. The city has been promising to remedy the situation as it now exists, for many years and the state board of health has been put off innumerable times. That the body's patience has been sorely tried by the action of Pendleton, was a statement of Dr. McNary, which Mayor Hartman quoted last night.

To Move Dump Grounds.
With the purchase of the west end property on which tentative plans have been made for the construction of the septic tank, the old dump

ROTARIANS ENDORSE ENTIRE PROGRAM FOR
CITY IMPROVEMENT INCLUDING PROPOSAL
FOR AUDITORIUM; THREE CLUBS ON RECORDFINAL ACTION TO BE
TAKEN ON TAX BUDGET
BY COUNCIL TONIGHT

Action on the recommendation of the city budget committee as to the amount of money to be raised by taxation during 1922, will be taken this evening by the city council when the municipal governing body sits as a levying body, according to a statement by H. J. Warner, city attorney.

The right to appear and enter objections or to express approval of the budget as proposed by the committee which met several weeks ago is accorded taxpayers by the law, and it is considered probable that interested citizens will attend the session tonight.

The men who composed the special committee, who with the council members made up the budget committee proper, were E. B. Aldrich, C. E. Bond, L. M. Hamley, Earl Gillanders, E. J. Murphy, D. H. Nelson, L. C. Schaff and George J. Stangler.

CASE AGAINST SPENCER
TO BE COMPLETED TODAY

LAKEPORT, Cal., Oct. 5.—(U. P.)—The prosecution expected to complete the case against Rev. John Spencer, a former Presbyterian minister of Fulton, Cal., on trial for the alleged murder of Maud Spencer, his wife today. He is accused of drowning his wife in Clear Lake.

PENDLETON CITIZENS
WILL ATTEND HERMISTON
SHOW ON SATURDAY

Complying with the wishes of Hermiston, Pendleton people will attend the Hermiston Hog and Dairy Show on Saturday instead of on Friday, action being taken by the Pendleton Commercial Association last night pledging the attendance of business men on the last day of the show instead of on Friday which had previously been planned.

The action followed representations made by Dr. M. S. Kern who declared that Hermiston very much desired the presence of Pendletonians on Saturday rather than on Friday. The plans had been made to go the first day, but this was changed.

A committee consisting of Dr. Kern, E. F. Averill, Dr. Dave Hill, Tom F. O'Brien and John Murray was appointed to secure a large delegation to attend the show. Hermiston people are making efforts to put on a real program, it is said, and good exhibits and some lively sporting events are promised.

UNITED MINE WORKERS
CONVENTION CLOSES

INDIANAPOLIS, Oct. 5.—(U. P.)—Delegates to the United Mine Workers convention are expected to return home today after a two weeks' stormy conventional debate and bitter factional wrangling. The convention will leave President Lewis and the administration to conduct the wage negotiations with the coal operators next March. Lewis retains his position as the miner head.

ASK CLEMENCY FOR BENNETT.
PORTLAND, Oct. 5.—(A. P.)—The State Federation of Labor voted forward to President Harding a petition asking clemency for Charles Bennett, convicted of violation of the espionage act in Chicago in 1918. The petition will be presented by the street car delegates. The convention adopted a resolution pledging its support to Armenia relief work and a resolution endorsing the 1922 exposition was presented.

PLUMMER IS SPEAKER
AT FORUM LUNCHEON
TO BE HELD TOMORROW

What the Pacific International Livestock Exposition will be like this year will be the general topic of O. W. Plummer, manager of the big show, who is to be the principal speaker tomorrow at noon at the weekly forum luncheon of the Pendleton Commercial Association.

The luncheon will be held at the French restaurant this week, and it will begin promptly at noon. A member of the arrangements committee will preside at the luncheon.

FILM COMEDIAN TO BE
FORMALLY ARRAIGNED
TODAY OR TOMORROW

SAN FRANCISCO, Oct. 5.—(U. P.)—Arbuckle will probably be formally arraigned late today, or early tomorrow on a manslaughter charge of killing Miss Virginia Rappes. Fatty will probably not attend. Prohibition authorities meanwhile are trying to answer the question: "Where did Fatty get the liquor?" They promised to charge three men with violation of the prohibition law in connection with the case. Officers refused to say whether one of these three men will be Arbuckle.

PROPOSALS TO INCREASE
FREIGHT RATES ON
LUMBER DISAPPROVEDRailroads Would Increase
Transcontinental Rates From
Northwest to El Paso.

WASHINGTON, Oct. 5.—(A. P.)—The railroad proposals to increase transcontinental freight rates on lumber and forest products from Oregon, Washington and Idaho to El Paso, Texas, by 25 per cent was held not justified by the interstate commerce commission today. The commission also refused the railroads' request for an increase in lumber rates to and from intermediate points amounting to 33 1-3 per cent.

The rates have never been in effect, having been postponed by the railroads on June 1 and suspended by the commission.

POPULAR YOUNG HIGH
SCHOOL STUDENT DIES

Miss Nancy Dickson, aged 16, died at 1:30 o'clock this morning, her death being caused by infantile paralysis.

She had been ill for only a few days and was taken on Sunday to the isolation quarters at the rear of St. Anthony's hospital.

Miss Dickson was born in Portland and was the daughter of Mr. and Mrs. Huldane Dickson, who survive her. She came to Pendleton last year and attended the local high school, making her home with her aunt, Mrs. Norborne Berkeley, and Mrs. Constance Isaacs. Miss Dickson, besides her parents, is survived by a brother, John Dickson, and two sisters, Mrs. George Ham and Mrs. W. E. Stone, all of Portland. She was the granddaughter of Mrs. John R. Dickson of Portland and Mrs. C. C. Berkeley of Hay Creek.

She was a girl whose lovely character won her many friends and her untimely death is much regretted. Funeral services will be held tomorrow at 2 p. m. from the Church of the Redeemer, with Rev. Alfred Lockwood, pastor, officiating. Because of the nature of the disease which caused Miss Dickson's death, the services will be private.

GIANTS HELD TO FIVE HITS.
NEW YORK, Oct. 5.—(U. P.)—Carl Mays held the Giants to five hits, shutting them out without a run in the initial contest of the world's series. Douglas pitched good ball for the Giants, fanning Ruth twice, but gave place to Barnes in the ninth, whom the Yankees touched for two hits. Mays kept the Giants' hits scattered, only Frisch, the Giant third baseman, being able to hit consistently. The final score was: Yankees 3-7-0 and the Giants 0-5-0.

WILLIAM HIGHTOWER
GOES ON TRIAL TODAY

REDWOOD CITY, Cal., Oct. 5.—(U. P.)—Evidence was introduced at the trial of William Hightower, the alleged murderer of Father Patrick Heelan, which opened today. The jury was completed yesterday, consisting of eight men and four women. District Attorney Swart opened the state's case, saying he would prove Hightower kidnapped Heelan and then murdered him when Archbishop Hanna failed to pay the \$5,000 ransom demanded.

Swart ridiculed Hightower's claim of a drunken foreigner telling him Heelan was buried and "guarded by a man always trying pancakes." Swart said Hightower admitted experimenting with infernal machines and gas, and that these things were mentioned in the demand for a ransom.

CITIZENS OF MILTON AND FREEWATER
ENDORSE PROPOSITION OF BONDING
COUNTY TO BUILD MORE GOOD ROADS

(East Oregonian Special.)
MILTON, October 5.—Citizens of Milton and Freewater endorsed the proposition of bonding the county for \$1,000,000 to build more good roads as a result of a mass meeting held here in the open house last night. The meeting was a joint session of the commercial organizations of Freewater and Milton to which citizens were invited.

As a result of the endorsement, which followed after a full discussion of the subject, the chairman was authorized to appoint two committees of three each from each commercial organization. These committees in turn will secure three more members representing farmers, and then the full committee of 12 will later call a second meeting when further action will be taken.

The session last night was presided over by W. R. Anderson, president of the Milton Commercial Club. C. S. Cheshire, vice-president of the county federation of commercial organizations, was one of the principal speakers of the evening. County Commissioner R. E. Bean was also called on to express his views. He explained the outlook for good roads in the county under present conditions of income for the county from current taxation.

The time of the holding of the second meeting will be left to the choice of the committee of 12 who are expected to have a report to make within a comparatively short time.

ROSEBURG DENTIST'S
TRIAL MUST PROCEED
RULES THE JUDGEBingham Denied Defense's Motion
for Postponement Until
October Twenty Fourth.

ROSEBURG, Oct. 5.—(U. P.)—The trial of Dr. Brumfield must proceed without delay, Judge Bingham ruled today, when he denied the defense's motion for postponement until October 24. The business of picking the jury is proceeding with a bitter fight shown on both sides.

WHIP Plead Insanity

ROSEBURG, Oct. 5.—(A. P.)—Dr. Brumfield came into court looking neater than he had for many days. He was shaved this morning for the first time in two weeks. He spent last night in a darkened cell after consultation with his attorneys. That the defense will be insanity is indicated by an affidavit filed by the attorneys asking for a delay of trial until October 24 in order to obtain the attendance as a witness of Dr. C. S. Mahood, a Calgary health officer, who examined Brumfield after his arrest in Alberta.

Jury Is Selected

ROSEBURG, Oct. 5.—(U. P.)—Judge Bingham ruled that Dr. C. S. Mahood, whom the defense counted upon to furnish considerable proof regarding Brumfield's insane condition when he was jailed at Calgary, will be unable to furnish assurance that he would be able to get here for a later trial date, stating that as Dr. Mahood was outside the jurisdiction of the court there would be no way to force him to come to testify. The court proceeded with the selection of the jury at 10:30 this morning.

POLO GROUNDS, Oct. 5.—(U. P.)—Mowed down by underhand slants, of Carl Mays, the New York Giants became the first casualty of the annual baseball harvest here this afternoon. Playing like champions with a dash and spirit in their game the Yanks got a jump on the home town rivals by winning the first game of the World Series, 3 to 0. Mays, the ace of American league pitchers was the trump card in the Yanks' fist. The Giants spent most of the cool crisp afternoon walking up to the plate and walking back. They were whipped from the time the big Yank pitcher went to the mound. Their procession looked like a cortege.

The Giant's big sticks connected safely only five times, and four of them were poked out by Frank Frisch, the brilliant young third baseman. The whole team were in the field and at the bat.

Umpires—Morarity, Chul, Quigley, and Rigler.

First Inning
Yanks—Miller singled, Pecknough sacrificed, Douglas to Kelly. Ruth singled, scoring Miller. R. Meusel hit into double play, Frisch to Rawlings to Kelly; 1 run, 2 hits, no errors.

Giants—Burns out. Peck to Pipp; Bancroft out, Ward to Pipp; Frisch singled. Young out Mays to Pipp; no runs 1 hit no errors.

Second Inning
Yanks—Pipp out Rawlings to Kelly. Ward walked. McNally out, Frisch to Kelly. Schang fanned; no runs no hits no errors.

Giants—Kelly flied to Ruth; E. Meusel flied to R. Meusel. Rawlings hit by pitched ball. Snyder out, Schang to Pipp; no runs no hits no errors.

Third Inning
Yanks—Mays out, Rawlings to Kelly. Miller out Bancroft to Kelly. Peck fanned; no runs no hits no errors.

Giants—Douglas flied to Ruth. Burns out Peck to Pipp. Bancroft out Ward to Pipp; no runs no hits no errors.
